The aim of the ENPI-CBC Romania-Ukraine-Republic of Moldova Programme is to improve the economic, social and environmental situation in the Programme area, in the context of safe and secure borders, through increased contact of partners on both sides of the borders.

Priorities of the programme:

1. **Towards a more competitive border economy**, concentrating on improving the economic performance of the border area through the diversification and modernisation, in a sustainable manner, of the border economy.
2. **Environmental challenges and emergency preparedness** supporting long term solutions to the environmental problems faced by the border areas, particularly those associated with environmental emergencies where a co-ordinated approach is essential
3. **People to people co-operation** promoting greater interaction between people and communities living in the border areas.

¹ The adjoining regions will have access to all priorities of the Programme, but only soft projects may be implemented in these areas.
